

Business Sponsor Dinner & Recognition

In the opening years of the 21st century, Perry Valley Grange amended its by-laws to add a category of associate membership called "Business Sponsors". Since that time, the number of businesses who choose to support the Grange through this means has grown every year to nearly 50 Business Sponsors at present. Each year, usually in January, those Sponsors are invited to the Grange for a free recognition dinner and an educational program appropriate for small business owners. This year's event was held on Friday, January 8, 2010.

Business Leaders are All Smiles for the Camera
