Most of the funds to make the charitable contributions are raised by the Grange through the serving of public dinners, banquets and receptions. Many of the projects to which funds were contributed on this list are described in more detail in sections of this report pertaining to each major project.

Also included in this section are sample of thank you notes and written acknowledgements received from some of the recipients. Similar notes are included in other sections of this report under specific projects.

A new and rather unique community service by the Grange this year was providing the venue for youth required to perform community service as a condition of probation or other legal proceedings. A number of these adjudicated youth assisted with the serving of dinners at the Grange and accumulated a total of 123.25 hours of work in fulfillment of their sentences. The letter on the reverse attests to the positive role models Grange members provided to these young people while being involved at the Grange.
