Grange Reaches 100 Year Milestone This Month

A century ago, National Geographic showed a world at war, and a proclamation from the president urging all Americans to put their country first. During this time, 38% of the workforce lived on farms where life was tough with long hours and back breaking labor, but this was essential to survival of the community. The farmers in Perry Valley endured the same tough life as the rest of the country, but put their country and county first. However, they too needed somewhere to connect and unite in order to have collective bargaining power. No doubt, one day members of the Sarver, Bonsall or Cameron family suggested inviting someone from the Grange to come meet with them. So on July 19, 1919, a group of persons met at Beaver's School in Perry Valley to organize a local chapter of the Grange. There were eighty-six persons- 49 men and 37 women present and thus Perry Valley Grange #1804 was born.

We owe a lot to our forefathers for having the foresight to invest their time, talent and energy in this wonderful organization. I am also so proud of the current Grange members who work tirelessly to keep Perry Valley Grange viable in the community. The poster/essay contest, 4th grade ag day, summer concerts, food packing event and our educational programs do not just happen. A lot of time and effort is put into the events which make Perry Valley Grange great.

Sometimes as your President, I feel like a failure when so much time and effort is put into events and educational programs and only a handful of grangers attend. Many times I ask my officers, what am I doing wrong. I don't have the answer.

As the 20th century closed and a new millennium began, Perry Valley Grange just like farming experienced massive changes. For example, the secrecy is gone and the title Master has been replaced by the title President to name just a few. We no longer are an organization focused solely on farmers but reach out to the community in so many different ways. The one thing that has not changed and hopefully will never change is that the Grange is all about people, faithful members who selflessly continue to serve others. This will need to continue if we are to survive another hundred years in a world which is so competitive for our time.

To paraphrase Woodrow Wilson, "***The supreme test of the Grange has come. We must all speak, act, and serve together!***" Together we can keep Perry Valley Grange active for another century.

Together **E**veryone **A**chieves **M**ore - **Go Team!**

Children who complete the library's planned activities will receive a book of their own through the Grange's generosity.

Grange volunteers will read to students at the library on the final day of the summer reading program - Tuesday, July 30th. If you can volunteer to help for an hour that afternoon, contact Doug Bonsall (921-1957). The library is located at 316 N. Fourth Street, Newport.

Yes, Elvis was spotted in Millerstown on June 18th! Shown above, Elvis (aka Denny Heckard) performed at the first of two free summer concerts sponsored by the Grange at the Millerstown Community Park. About 120 persons enjoyed his Elvis Tribute show.

Free refreshments at the concert were provided by the Perry County Pomona Grange. Volunteers who served that evening were (left to right): Wayne Campbell, Ruth Britcher, Deb Campbell and Martha Ebersole

To date, seven individuals have already qualified for the award and the first to be recognized

publicly is Marlene Landis (right) of Liverpool. Ms. Landis, who volunteered with several different organizations and named the Greenwood FFA to receive the grant related to her service, is shown with Grange president Linda Byers (left) and received recognition during a recent free concert sponsored by the Grange in the Millerstown Community Park. Anyone who wishes more information about the Volunteer program may get more details at: <http://www.perryvalleygrange.org/>.

2019 Elementary Student Ag Day at Millerstown Park

A joint educational project of Perry Valley Grange & Greenwood FFA

Grange volunteers, including State President Wayne Campbell (left), prepared and served mid-morning snack and noon lunches to about 200 students, teachers, parents and helpers at the May 23rd field day for fourth grade students from Newport and Greenwood Elementary Schools.

The butterfly tent was a popular learning station. Preparing for this required purchase of and caring for butterfly cocoons until the butterflies emerged.

Retired teacher Sam Ritzman each year gives an interesting presentation at Ag Day on various animals. Students can examine such things as bones, teeth, hides, etc.

This station emphasized the importance of the dairy industry, complete with a young calf. At other stations, students had the opportunity to interact with animals including chickens and rabbits.

Fair Exhibits Coming Up

Every year since 1954, Perry Valley Grange has entered exhibits in one or more fairs to help promote agriculture. First it was just the Juniata County Fair and later elaborate displays of agricultural and home economic products were taken to the Gratz and Bloomsburg Fairs. Since the Perry County Fair was re-organized in the early 1970’s, Perry Valley has been there with an educational exhibit.

This year’s theme is **Fairs Feature Agriculture**. It’s always a challenge to incorporate an educational component following the theme. A small committee met in June to get started on the project and have come up with a design for the exhibit, but there is still much to be done before it is ready to go to the fair. If you would like to volunteer to assist with this project, please contact Renee Hetrick (589-3369) or Linda Byers (589-7889).
